

The diagram illustrates a rectangular layout for a finished product. It features a central white area surrounded by a light gray border. Two vertical green lines, representing fold lines, divide the central area into three equal parts. A horizontal blue line, representing the safety line, runs across the middle of the layout. Two diagonal gray arrows point from the top center towards the corners, indicating the cut line. Text labels with arrows point to these lines: 'RED LINE IS THE CUT LINE' (pointing to the top edge), 'BLUE LINE IS THE SAFETY LINE' (pointing to the horizontal blue line), and 'GREEN LINES ARE THE FOLD LINES' (pointing to the vertical green lines). A horizontal double-headed arrow below the fold lines indicates the width of the central section. At the bottom, the finished size and bleed dimensions are specified.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED

FINISHED SIZE-3X6.5
WITH BLEED-6.625X9.125
