

The diagram shows a rectangular layout divided into four vertical sections by three vertical lines. The first line from the left is green, the second is red, and the third is blue. A horizontal line with arrows at both ends passes through the red line. Another horizontal line with arrows at both ends is positioned below the red line. Text labels explain the function of each line: the red line is the cut line, the blue line is the safety line, and the green lines are the fold lines. Dimensions for finished and bleed sizes are provided in the bottom right.
