

The diagram illustrates the relationship between a red line (cut line) and a blue line (safety line) on a page. At the top, two arrows point outwards from a central text block. Below this, a horizontal line with arrows at both ends is positioned above another central text block. At the bottom, a final text block specifies the finished and bleed sizes. The red line is the outermost boundary, and the blue line is an inner boundary.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

FINISHED SIZE - 9X11
WITH BLEED - 9.125X11.125
