

The diagram shows a rectangular page layout with a light green background. A vertical green line runs down the center, representing a fold line. A horizontal blue line runs across the page, representing a safety line. A red line is located at the top edge of the page, representing the cut line. Arrows point from the text labels to their respective lines: two arrows point from the red line text to the top edge, one arrow points from the blue line text to the horizontal line, and one arrow points from the green line text to the vertical line.
